

# Brain Basics Quiz

## Answer Key

### Mapping the Brain

- 100: The corpus callosum
- 200: The thalamus
- 300: The temporal lobe
- 400: The occipital lobe
- 500: The spinal cord

### Fact or Myth

- 100: Fact
- 200: Myth
- 300: Myth
- 400: Fact
- 500: Myth

### Neuron Anatomy

- 100: Synapse
- 200: Myelin sheath
- 300: Dendrites
- 400: Nucleus
- 500: Axon

### Classical Neurotransmitters

- 100: Neurotransmitters
- 200: Acetylcholine (Ach)
- 300: Catecholamines
- 400: Serotonin
- 500: The firing of neurons

### Electrifying the Brain

- 100: Myelin
- 200: The axon
- 300: Negative
- 400: Ion channels
- 500: Channelopathies
